Important Notices for Duals Team Qualifier (not applicable to Women's State):

1. **Qualifying Event.** This tournament is the Team Texas National Duals Qualifier for Schoolboy, Cadet and Junior Duals events. Preference for positions on the Team Texas Schoolboy, Cadet & Junior Duals Teams is given to the champion in each style at the weight class in which the wrestler placed. Due to flight limits for Schoolboy and Cadet Duals events, only 1 spot at each weight (combined across styles) is guaranteed.
2. **Mandatory Weight and Divisions.** Wrestlers **must** compete at the division and weight they intend to compete at in a duals event. Wrestlers will be given a **weight allowance at this event** as follows: Schoolboys 3lb. allowance; Cadets & Juniors a 5lb. allowance. For example, a wrestler intending to compete at Junior Duals in the 145lb. weight class **must** make weight at the qualifier at 150 lbs. or less (145 + 5 lbs.). **There is no weight allowance at the National Duals events, only for this qualifier**
3. **Special Notice for Schoolboys.** This is also a qualifier for the Schoolboy Duals Team. However, to fill all weight classes, preference for Schoolboy Duals is also **highly dependent on early registration and deposit**, a willingness to compete in both styles, and to wrestle up a weight class as needed. Accordingly, Schoolboys are encouraged to register in advance of the Qualifier.

¹ Women's State Championships are Cadet & Junior women only and are being held early this year to avoid conflict with Freestyle Women's Nationals, which will be held in conjunction with Texas State F/S and Greco Championship for Cadet & Junior men and all genders below Cadet. **No weight allowance for Women's State Championships.**

² Coaches must wear and display the TX USA Coach lanyard to be permitted on the floor or in a corner to coach.

4. Duals Event Registration Encouraged. All wrestlers that want to compete for Team Texas Men at a national duals event should register for Team Texas and pay their deposit even if they do not place at the qualifier. Space is often available for alternates who still get matches at the duals.
5. Team Texas Payment and Registration Due at Tournament. Qualifying wrestlers **must** turn in a completed duals event registration form **and pay their deposit** by the conclusion of the tournament on April 29th **or risk losing their preferred, qualified for spot**.
6. Notice Concerning Fargo. This event is not the qualifier for Cadet & Junior Nationals in Fargo, ND. State Championships is the qualifying event for Fargo.
